SUNDAY 4 JANUARY 2026

Instructional Lab II Team for Spring 2015

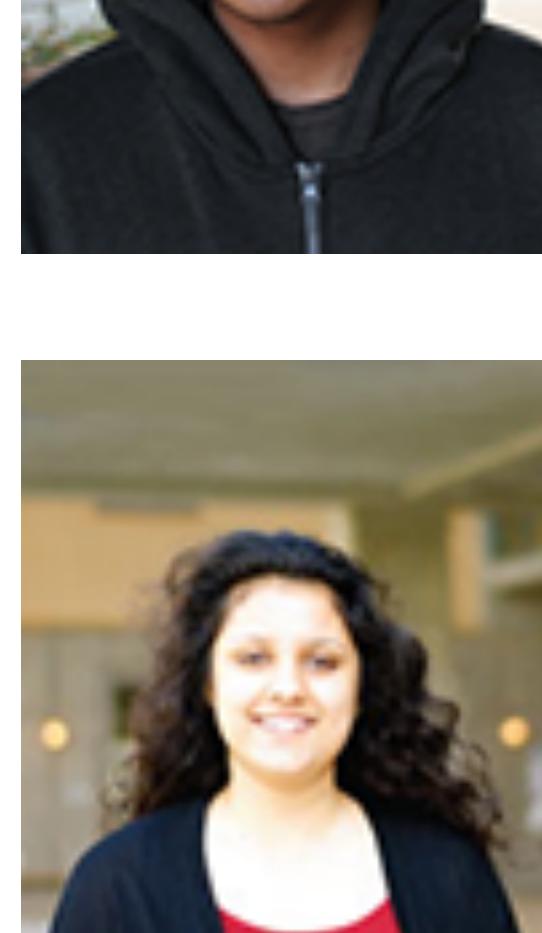

Juan Carlos Hernandez (Team Leader)

Juan Carlos Hernández currently is a second year undergraduate pursuing a Bachelors of Science degree in Mechanical Engineering at the University of California, Merced. He enjoys learning new things and through his experience he has gained a wide arrange of skills from using Arduino's for LED lights to utilizing LabVIEW to run lab experiments. His long term goals are to work in a aerospace industry where he can utilize his skills to better the lives of those around him.

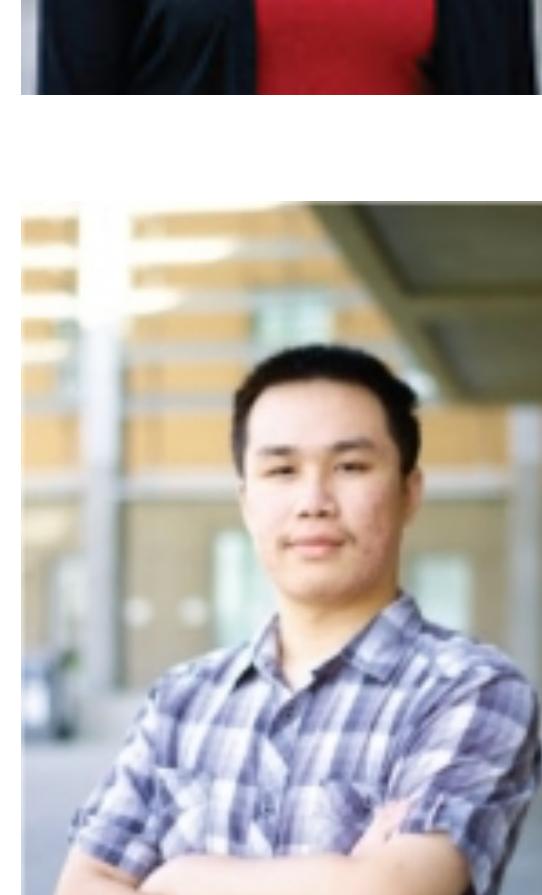

Jacob Clark (SAC Officer)

Jacob is a Sophomore Mechanical Engineering student at UC Merced. He's skilled in a variety of topics, including food handling, team safety, CAD, and STEM classes. He is also a member of the Bobcat Martial Arts team, the safety officer of the Society of Automotive Engineers interest club, and a member of the Sports Shooting Club at UC Merced.

Joseph Camaddo (Deputy Leader)

Joseph is a first year Environmental Engineering major at UC Merced. He welcomes new challenges and likes to collaborate with different types of people. He enjoys listening to music and plays guitar in his spare time.

Fatima Shah (Intellectual Property Officer)

I am a computer science major. I enjoy listening to music and I enjoy spending time with friends. My hobbies include reading and taekwondo and I love to drink tea.

Hang Liang (Communications Officer)

Hang is a freshmen in the Computer Science and Engineering program at University of California, Merced and a returning member to the Instructional Lab 2. His skillset includes the abilities to search Google and to quickly learn and adapt.

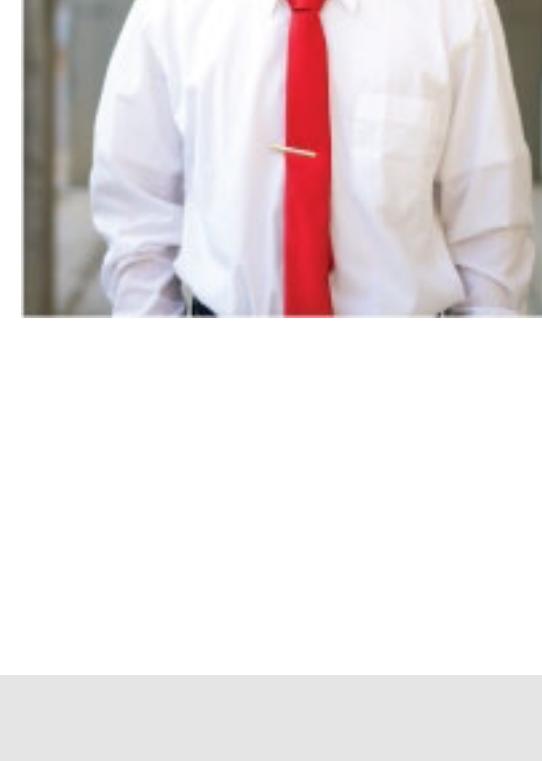

Joshua Reynoso (Inventory and Finance Officer)

Joshua Reynoso is a first year Computer Science and Engineering major at UC Merced. He is able to perform in a timely manner and program in Java and C++. He is fond of archery and camping.

Majok Ring (Webmaster)

Majok Ring is a first year Computer Science and Engineering major at the University of California, Merced. He has experience with Java and C++ and has team experience with TEDxYouthSD and is a founding member of the Q Project at UC Merced.

Raymond Yang Role (Sub-Team Leader)

Raymond is a first year Mechanical Engineering student at University of California, Merced. He enjoys teaching others in topics such as renewable energy and basic economics. He is fond of drawing and reading about history. He hopes to have an impact on society, either through private enterprise or public service.
